

Project Manager (f/m/x)

Company description:

At KlickOwn, we believe that everyone should be able to invest fully digitally in top-tier real estate without barriers and benefit from the opportunities of the real estate market. That's why we decided to build an online platform for digital real estate investing (www.klickown.com) by using blockchain technology. Backed by strong partners from the real estate, capital markets, and technology industry, KlickOwn offers a unique setup and opportunity. We are currently looking for a passionate Project Manager in Hamburg.

Job description:

As a Project Manager of KlickOwn, you will be responsible for monitoring all ongoing operations and project management activities inside our company. While working closely with the management team, you'll also take care of selected business development activities. You enjoy lots of self-responsibility and at the same time, you are part of an international network of strong business partners from the real estate, capital markets, and technology industry. Joining us will be very challenging and rewarding. You will gain the broadest experience in scaling a company and shaping operational excellence. Thus, you will work as an entrepreneur, yet be part of an international team of highly motivated and talented people.

Qualifications:

After earning your outstanding degree/MBA at a top university, you have gained work experience in a top-tier consulting firm, Investment Banking, Venture Capital, Private Equity, and/or in start-ups. Moreover, you have a proven track record of personal, academic, and professional achievements. Beyond your managerial skills, you have strong structuring and analytical skills with the ability to plan and execute challenging projects. Your knowledge of the internet and e-commerce sector as well as your high drive and ambition to perform are impressive. Independence, flexibility, and speed are as important to you as geographical mobility and international experience. Entrepreneurial drive and the ability to achieve goals in a fast-paced environment complete your profile.

Additional information:

Working for KlickOwn means taking ownership from day one and giving everything for our company to make a meaningful and sustainable impact. The company was founded by experienced fintech entrepreneurs who IPO'd several companies in the past. KlickOwn embodies the future of real estate investment and you are more than welcome to join our revolutionary mission.
